OTTAWA, 28th August 1928.

Sir,-

N.E. 4 Sec. 34 Tp. 5 Rge. 9 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting to those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,

Re: S.E.20-5-7- 4th.

I am directed to advise you that an application to cancel your entry for the above land was filed in this office on the 30th of June last, and action was commenced thereunder on the 4th of July 1917, and you were given until the 3rd of September of that year within which to file a defence. On the 8th of August you stated that you were working with your father on Section 20, township 1[illegible], range 1[illegible], and that your post office address would be Burdett. On the 10th of that month the necessary forms were sent to you to be properly completed, and you were reminded thereof by letter on the 5th of October.

You have so far failed either to file a defence to the cancellation proceedings outstanding or to forward Form 3003 giving particulars of the time you were employed as an agricultural laborer working with your father, and you have also failed to supply the necessary sworn statements as required by the Order-in-Council. In this connection I would refer you to pages 26, 27 and 28 of the enclosed Hand-Book.

I am directed to warn you of the consequences should you fail to furnish a defence on the enclosed form to the cancellation proceedings outstanding against your entry by the first of April next, or alternatively, the necessary evidence of your having worked as a farm laborer, or a statutory declaration to the effect that you are in residence upon your own land with the intention of remaining. Failure to furnish the statement called for by the first of April next will be immediately reported to the Department and it may be found necessary to take final action.

Posting of Soldier Settlement Land.

Notice is hereby given that after the expiration of 10 clear days from the date hereof, that is, on and after the [illegible] 191 , the

of Township, Range 7 West of the Meridian, will be available for entry, providing the land is of a class suitable for farming and is unoccupied, as follows:

On the day last above mentioned the privilege of entry, either as an ordinary homestead or as a soldier grant, is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestead or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter, unless entered for or reserved for an adjoining settler, the land will be available for entry

a. as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies, either in person or by proxy;

b. by a "Settler," as defined by the Soldier Settlement Act as an ordinary homestead provided such settler is eligible to make homestead entry;

c. by a "Settler," as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (c) of Section 2 of the Soldier Settlement Act 1917, defines "settler" as follows:

Any person who is desirous of making entry must visit the land personally before making his application and satisfy himself that there is no one in occupation, as he will be required to swear when making application for entry that the land is unoccupied. He should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry, unless made by proxy, may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter, or husband, when authorized to do so on the form prescribed. In such a case the proxy will require to appear personally at the office of the Local Agent or Sub-Agent.

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence given in this office, there are no improvements upon the said land entitled to payment.

PAYMENT FOR IMPROVEMENTS.

Before a person is granted entry for a homestead or a Soldier Grant, he shall declare what improvements, if any, there are upon the land for which he is entitled to payment, and pay to the Agent or Sub-Agent the full amount of his valuation of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $300, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If sufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND.

The following indebtedness is charged against the land:

If the amount invested for improvements is not sufficient to make up the indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of the indebtedness.

Sub-Agent or Postmaster at

Agent Dominion Lands.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry referring to the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall withhold the land until such application inside before the Sub-Agent or local representative has been received.

Provided further, that if on account of sickness or other satisfactory reason shown to the Agent a settler who according to the records is has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board:

Provided also, that if the Agent is in doubt as to the priority of any applicant he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been next entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, shall be open for entry to any settler eligible to make entry under these regulations.

With reference to your memorandum of the 26th ultimo, hereunder, in connection with the South East of Section 20, Township 5, Range 7, West of the 4th Meridian, and to the two Relief Liens noted against the same, I might state that if the lease of Ranch No. 9748 covering this land is cancelled, any fresh application for a lease thereof which would be received would be subject to any liens noted against the same, provided the Agent of Dominion Lands at Lethbridge has a record of these liens noted against the lands.

I might state, for your information, that all applications for grazing leases are made direct to the Agent of Dominion Lands for the district, and in forwarding each application to the Department, the Agent states in his covering letter whether of not there is any Seed Grain, Fodder or Relief liens noted against the land. If there is a lien noted against the land the applicant is given the opportunity, provided his application is favourably accepted, of either liquidating the lien and securing a straight 10 year lease, or if he does not desire to liquidate the lien, the lease, when issued, contains a clause providing for cancellation on one year's notice.

Re: Account of Wm. L. Anderson
S.E. 20-5-7-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 relief amounting to $50.00 was advanced to Wm. L. Anderson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 50.00	$ 91.05	$ 141.05

The S.E. 20-5-7-W4 was formerly the homestead entry of Wm. L. Anderson on which security he obtained advances of relief in 1915. His entry was cancelled on the 4th of July 1917 and is still unalienated Crown land held in the right of the Province.

This quarter section is under the jurisdiction of the Department of Lands and Forests, Province of Alberta and is presently leased for grazing purposes. It is located outside the homestead lease area and it is not likely that it will again be used for farming purposes.

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled.

Office of the Chairman

OTTAWA - OCT 21 1930

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Wm. Reuben Smith,
Lot 35 Shaftsbury Settlement (S.G.)

The above described land was secured by this settler under soldier grant entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in September, 1919, and in due course secured advances from the Board amounting to $1859.51, as follows: stock and equipment, $1490.00; special advances, $369.51. As security the Board holds a charge on the settler's soldier grant. There is no other land security held by the Board as Lot 37 Shaftsbury Settlement, the settler's patented homestead has been sold.

Prior to the rescission of this settler's agreement he had not been personally operating his farm for some years, in fact no serious attempt has ever been made by the settler to farm this property. The settler evidently preferred to remain working at his trade as tinsmith in Peace River. He executed a Quit Claim Deed in favour of the Board on the 2nd of December, 1929, and his agreement was rescinded pursuant thereto.

After crediting the sale price of the patented homestead the settler's indebtedness to the Board amounts to $449.35. The soldier grant was appraised in June last at $122.00. This quarter-section is reported as being a very poor piece of land, containing 118 acres, 103 of which are totally unsuitable for cultivation. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and a also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for the N.W.¼ 1-84-24 W.5th which entry was subsequently transferred to Lot 35 Shaftsbury Settlement.

A Vesting Order for signature is attached hereto.

made by the Board found and determined that the settler has made default as hereinbefore recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

¼ N.E. Sec. 32 Tp. 58 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Stanley Pasuck, Esq.,
St Paul,
Alberta.

Sir,-

N.W. ¼ Sec. 12 Tp. 60 Rge. 7 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA,

Sir,-

S.W. ¼ Sec. 24 Tp. 83 Rge. 22 West 5 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir, N. W. ¼ of 22-55-3 W. 5th M.

I beg to advise you that as the Department has received an Official Certificate of the death in action of your son, Private Earl F. Dafoe, who held the above land under homestead entry, it has been decided that action will now be taken to have Patent for this land issue in his name, without calling for the performance of any further settlement duties, subject, however, to any indebtedness to the Crown which may be registered against the land.

You will be notified of the issue of Patent, which will be forwarded to the Registrar for the land registration district in which the land is situated, and in order to obtain transfer of title it will be necessary to comply with the requirements of that Official with regard to Letters Probate of Will, or Letters of Administration. It is suggested that you communicate with the Registrar as soon as you receive the official notice.

I beg to advise you that as the Department has received official certificate of the death in action of Corporal J. M. You will be notified of the issue of patent which will be forwarded to the Registrar for the Land Registration District in which the land is situated, and it is suggested that you communicate with that official in connection with the transfer of title.

Re: Account of Julius Richard Dippner
S.E. 31-25-15-W4

The matter of an application for an adjustment of indebtedness standing against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Your investigation I understand is now in a position to report as follows:

In 1915 seed grain amounting to $146.70 was advanced to Julius Richard Dippner on the security of the above mentioned land. Payments of $105.00 and $35.00 were received in 1920 and 1925 respectively and applied to the principal and interest. The present standing of this account is:

Principal	Interest	Total
$ 135.47	$ 304.92	$ 440.39

The S.E. 31-25-15-W4 was taken over by the Province of Alberta, under the Tax Recovery Act. This land is covered at present by a long term grazing lease and a view of its location in that part of the province designated Special Areas, there is little likelihood of sale over being disposed of by sale or utilized for any purpose other than grazing."

"Title to the SE¼ is presently vested in this department having been acquired through proceedings under the Tax Recovery

As the land no longer offers any security of value and is such that it is unlikely to be used again for farming purposes, it is recommended that the indebtedness be cancelled and the lien discharged.

In reply to our questionaire concerning the S.E. 31-25-15-W4 J.A. Tabuch, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

We acknowledge receipt of yours of the 18th inst., dealing with this matter, and note its contents. We wish to ascertain from you if Mr. Shepherd may locate his Military Bounty Land Warrant on the homestead quarter immediately after he has forwarded the declaration of abandonment you enclose to your local agent here, or would he have to wait for the time within which these declarations are posted and take his chance on being able to enter a land warrant, with other applicants who may be crowding to get the land in question. We hope he can obtain a homestead and the next day locate his Military Bounty Land Warrant on the same land, awaiting the perfecting of this location until the time of the abandonment of the homestead entry has elapsed.

Ottawa, 9th May, 1911.

Memorandum:-

Mr. Arthur W. Shepherd made homestead entry for the S-E. ¼ of Sec. 36---32---18, W. 4th M., on the 1st September, 1910.

In view of Mr. Shepherd's representations as to illness in his family, his entry was protected until the 1st instant.

On the 26th ultimo Mr. Shepherd executed a declaration of abandonment of his entry, with a view to locating S. F. V. Scrip upon this quarter section.

The Agent, however, reports that on the 19th of last month he accepted an application for inspection in connection with this entry.

The regulations provide that, notwithstanding an entry may be under protection, an application for inspection may be accepted and that an entrant granted protection is required to satisfy the Agent before the expiration of the protection period that he is complying with the regulations, failing which his entry may be cancelled without further notice.

The point now arises,-- whether an application for inspection having been received prior to the execution by Mr. Shepherd of his declaration of abandonment, he may be permitted to locate scrip upon this land? I should think not.

Please advise.

Respectfully submitted,

F. FitzRoy Dixon, Esq.,
Assistant Deputy Commissioner,

Sir,

I beg to acknowledge the receipt of a declaration of abandonment executed by you in connection with your homestead entry for the South East ¼ of Section 36, Township 32, Range 18, West of the Fourth Meridian, with a view to locating South African Volunteer Scrip on this land in the event of your entry being cancelled, and in reply to inform you that it is regretted your application cannot be granted, owing to the fact that an application for inspection has been accepted.

I may point out that the regulations provide that, notwithstanding an entry may be under protection, an application for inspection may be accepted, and the entrant granted protection is required to satisfy the Agent before the expiration of the protection period that he is complying with the regulations, failing which his entry may be cancelled without further notice.

Under these circumstances, if you wish to retain possession of this land, it will be necessary for you to immediately comply with the conditions attached to your entry therefor.

Sir,

I beg to acknowledge the receipt of your letter dated the 29th ultimo (Lef.78486), and in reply to say that, as an application for inspection has been filed in connection with Mr. Arthur [illegible]. Shepherd's entry for the South East ¼ of Section 36, Township 32, Range 18, West of the Fourth Meridian, you should immediately institute cancellation proceedings, granting the homesteader the usual sixty days within which to file a defence.

I may point out that the regulations provide that, notwithstanding an entry may be under protection, an application for inspection may be accepted, and that an entrant granted protection is required to satisfy the Agent before the expiration of the protection period that he is complying with the regulations, failing which his entry may be cancelled without further notice; also that the location of scrip by a homesteader is conditional on there being no cancellation proceedings pending. OVER

DEFINITION OF "SETTLER" UNDER THE SOLDIER SETTLEMENT ACT, 1919.

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force, "Settler" defined.

1. of Canada and has served out of Canada, or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service, in receipt of a pension, or,

2. of His Majesty or of any of His Majesty's Allies and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

3. of His Majesty or of any British Dominion or Colony and has served out of the country wherein he enlisted or otherwise became a member of such force in a theatre of war; and has been otherwise than dishonourably discharged from such force, or has been permitted to honourably resign or retire therefrom, or, without fault on his part, has been dispensed from further service therein; and the widow of any person who died on active service and who, but for his death, might be a settler as now defined, shall be capable of being a settler in her deceased husband's right.

PRIOR RIGHT OF ENTRY.

Squatter and Adjoining Settler.

A person who has bona fide settled and made improvements on agricultural land before the survey thereof and was in occupation of and ordinarily resident on the land at the time of survey shall, if eligible to make entry for a soldier grant under these regulations, have a prior right to obtain entry for the land so settled on. Provided that this right is exercised within six months after notice in writing that the land is open for entry has been given by the agent to such settler; or has been posted in a conspicuous place on the land, and that entry shall not be allowed for more than a quarter-section as a soldier grant.

The occupation of land after the survey thereof, without entry as provided by these regulations, gives the occupant no right thereto, and the occupant may be ejected as a trespasser, and his improvements forfeited to the Crown.

On the day on which any land is to be made available for entry after being advertised or posted the privilege of entry thereon shall be restricted to a settler eligible to make entry who holds an adjoining quarter-section under homestead or soldier entry, or who obtained homestead patent for such quarter-section and is still the owner thereof, or who was a squatter before survey on such quarter-section. Adjoining quarter-section means one lying alongside or separated by road allowance only.

Conflicting Claims.

In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey. Priority.

To ensure due consideration being given to the rights of all persons claiming priority, the agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, for until the morning of the following day:

Provided that if the Agent is advised by wire or otherwise on such day by a sub-agent of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead, has a better claim than any of the other applicants appearing in person, the agent shall hold the land until such application made before the Sub-Agent has been received. Application through Sub-Agent.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent a settler who according to the records has a prior right of entry over all other applicants is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time.

Any land which, after having been posted, has not been entered for by an adjoining settler on the last day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir,-

N.W. ¼ of Sec. 10 Tp. 33 Rge. 4 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

The application for entry unless made by proxy, may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. OVER

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33 In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the order of the dates of their prospective entries, or the commencement of residence in the case of a quarters before survey.

34 To ensure the same being given to them, all persons claiming prior to the Agent shall receive all applications for entry offering under the preceding section, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over the other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting in the interval the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35 Any land which, having been placed in the manner hereinbefore described, has been first entered for by an adjoining settler on the first day on which such land became open for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

3rd February, 1913.

Gentlemen,

With reference to your letter of the 14th October last and the Assistant Secretary's reply thereto of the 16th of the following month, I beg to inform you that Mr. R. H. Potts' entry for the S.W.¼ of section 1, township 73, range 6, west 5th Meridian, has been cancelled in accordance with the instructions of Department contained in yours of the 14th June last, and has been permitted to have Half-breed scrip located thereon. Such privilege will, however, be subject to the land being transferred to him by the Half-breed locator, as in all such cases it is the invariable practice of the Department to issue the letters patent in the name of the original homestead applicant. Mr. Potts will be given sixty days from the date of this letter to have scrip located on the land in question in the manner above entitled.

With regard to Mr. Potts' application to acquire the fractional N.W.¼ of the said section 1, containing 2.3 acres, adjoining the land above mentioned, and upon which Half-breed scrip has been located by John Bennit, formerly in the interests of Mr. Potts, I beg to say that the Department of Indian Affairs has advised the Department that it is

Messrs. Griesbach, O'Connor & Company,

Barristers etc.,

Edmonton, Alta.

willing to take two acres instead of five, which it is stated Mr. Potts agreed to give for a cemetery, and that upon Mr. Potts paying the sum of $150.00 for the improvements of Francois Nesactanis and undertaking to convey the two acres referred to for a cemetery with an entrance thereto, the Department of Indian Affairs will withdraw all objections to the issue of the Letters patent. In view of this, it has been decided, upon these conditions being carried out, to allow the Half-breed scrip located on the said fractional quarter section to stand, and upon this Department being informed that the said conditions have been fulfilled and the filing here of a properly executed transfer from the Half-breed locator in Mr. Potts' name, together with the usual abstract of title and Registrar's certificate and remitting a registration fee of $2.00, steps will be taken for the issue of Letters Patent in Mr. Potts' favour for the said fractional N.W.¼ of section 1.

Your obedient servant,

Controller.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

Soldier entry on Dominion Lands under the provisions of these Regulations may be granted to any person certified to be a "Settler" by the Board, but unless the Board shall for special reasons otherwise recommend, no such free grant shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Request for Transfer of Dominion Land.
Re:

Frank J.Reynolds,
N.W. 3-72-10-W.6th
S.E. 9-73-10-W.6th
Edmonton District.

On the 14th May, 1919, the Board approved a loan of $2200.00 in favour of Frank James Reynolds, a qualified soldier settler, and, as security for its advances the Board imposed a charge upon the above-described land, the homestead and soldier grant entries respectively of the said settler. The loan in this case was subsequently increased to $2508.00 of which amount $2235.16 was disbursed by the Board on the settler's behalf in the purchase of stock and equipment and permanent improvements.

This settler abandoned his undertaking in the early spring of 1925, and was reported to have gone to the United States. In order to protect its interests the Board was obliged to institute adjustment proceedings, and in due course the agreement of the settler was rescinded pursuant to a 30 Day Notice served on the 3rd March, 1926.

The land in question being "charged land" within the meaning of section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler, and also the right, title and interest of His Majesty to and in the said "charged land be vested in the Board.

The Board holds no other land security in this case.

The Soldier Settlement Board

S.S.B. File #3-7

Canada.

Office of the Chairman

OTTAWA, 26th January, 1928.

Memorandum -

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re. John Johnson Alderson (deceased)
S.W.¼ 30-5-2-W.5th M. (Had)
N.W.¼ 19-5-2-W.5th M. (S.E.)

The above described parcels are the unpatented homestead and soldier grant of this settler.

The settler obtained advances from the Board totalling $1110.00, as follows: stock and equipment, $720.00; permanent improvements, $385.00. As security the Board holds a charge on the settler's homestead and soldier grant. The Board holds no other security in this case.

On or about the 20th April, 1920, the settler, J.J. Alderson, died, and Flora M. Alderson was appointed by the Court as his Legal Administratrix. A certified copy of the Order of the Court was forwarded to the Department on the 11th May, 1927.

The Board is informed that the duties are completed in this case and that Mrs. Alderson, the widow of the deceased, is entitled to receive patent for the land but for the Board's charge. This is confirmed by letter from the Deputy Commissioner of Dominion Lands to the Board dated the 2nd July, 1926, and by letter from the Secretary of the Department of the Interior to Mrs. Alderson dated the 2nd June, 1927.

The regulations approved by the Governor in Council of the 4th June, 1921, P.C. 1261, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion Land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Upon transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

Mrs. Alderson has requested that title to the land in question be issued in the name of the Board. She is not residing on the land and has several prospective purchasers for the property.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of the settler in the S.W.¼ 30-5-2-W.5th M. and the N.W.¼ 19-5-2-W.5th M. be vested in the Soldier Settlement Board.

A Vesting Order for the Minister's signature is attached hereto.

The Honourable Charles Stewart,
Minister of the Interior,
Ottawa.

Chairman.

OTTAWA, [illegible]

THE HONOURABLE CHARLES STEWART,
Minister of the Interior,
O t t a w a.

MEMORANDUM:

Request for Transfer of Do Inion Lands.
Re: Chas. Lewis Beaver, No. 117612.
N.E.¼ of 18-71-3-W. 6th M. - 2.0.

The above named settler secured advances from the Board totalling $1900, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

From Mr. Beaver we are now in receipt of an application requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Beaver states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Assistant Secretary of the Department to the settler, dated the 4th of November, 1922, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (P.C.1021), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 18-71-3-W. 6th M. be vested in the Soldier Settlement Board. The vesting order covering same is attached hereto for the Minister's signature.

Respectfully submitted.
